Dear Sir:

Transmitted herewith for filing in the above-referenced patent application are the following documents:

1. Associate Power of Attorney executed by David G. Conlin;
2. This Transmittal Letter; and
3. Return Postcard.

**NOTE:** If there is a fee deficiency and there is no authorization to charge an account, additional fees are necessary to cover the additional time consumed in making up the original deficiency. If the maximum, six-month period has expired before the deficiency is noted and corrected, the application is held abandoned. In those instances where authorization to charge is included, processing delays are encountered in resuming the papers to the PTO Finance Branch in order to apply these charges prior to action on the cases. Authorization to charge the deposit account for any fee deficiency should be checked. See the Notice of April 7, 1986, 1065 O.G 31-33.

☒ If any additional extension and/or fee is required, this is a request therefor and to charge Account No 04-1105.
